**PETITIONING THE COURT****To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 01/07/2014 and 01/28/2014.**

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number      Nature of Noncompliance

6

**Special Condition # 19:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.**Supporting Evidence:** Mr. Spain provided a urine sample on February 6, 2014, which tested negative for controlled substances.

On February 18, 2014, Mr. Spain provided a urine sample which tested positive for THC. He signed a drug use admission form that day, admitting to the use of marijuana on or about January 23, 2014. However, based on the fact that Mr. Spain had a negative drug test on February 6, 2014, it appears that he also consumed marijuana between the approximate dates of February 7 and February 17, 2014.
